Endless SEA of Options

Experience 3D TV

High Def @ Sea

Y.E.S provides a wide range of Audio-Video Services

- ◆ New Builds - ReFits & Service calls
- ◆ Surveys - Consultation - Design - Installation - Service & Programming
- ◆ Customer Orientation to system operations.
- ◆ Easy to follow **Instruction Sheets** to aid in operation of your Audio Video System.
- ◆ Comprehensive **Schematic Drawings and Cable Pull List** of system design.

Control from your iPad & More?

5 or 6 remotes to operate your A/V system can be cumbersome. In efforts to overcome this dilemma several options are available.

- ◆ From **Waterproof Keypads** to learning IR / RF remotes controls.
- ◆ **Universal Remotes - RTI - Niles - Russound & Others**
- ◆ Wireless **RF and Wi Fi** control systems such as **Crestron - AMX**
- ◆ *And now you can use your iPad or iPhone!*

Our New Build and Refit projects provide a complete package.
